CUSTOM COLOR

We provide the highest quality products in the industry, all of our color services include a in-depth consultation, signature shampoo with scalp massage, deep condition and professional blow-dry. We work as a team to ensure that our clients leave looking their best... so expect plenty of chatting about your strands before any color is applied.

SINGLE PROCESS

The best base for color starts with a shiny, healthy hair. This includes a retouch and application of one color or gloss from roots to ends.

Time: up to 90 mins

\$70 AND UP

DOUBLE PROCESS

All over lightening process, achieving a color much lighter and brighter than one's natural.

\$120 and up

GLOSS

Enhance the shine with a clear conditioning gloss or toner that can shift tones or counteract any unwanted pigments.

HIGH / LOW LIGHTS

Whether it's with traditional foiling, babylights, hair painting or flamboyage, we lighten your hair while keeping the hair's long term condition under constant consideration.

HALF HIGH / LOW LIGHT

Time: up to 2 hours, 30 mins

\$100 AND UP

FULL HIGH / LOW LIGHT

Time: up to 3 hours

\$120 AND UP

LIGHTS WITH SINGLE PROCESS

A color is applied at the root and in-between the highlighted pieces. The entire head of hair is processed in this technique which creates lowlights and grey coverage alongside beautiful lighter pieces.
